

13<sup>th</sup> January 2021

Dear Parents/Carers

As you aware this term has not started as we hoped and as we have entered another National Lockdown many pupils are once again accessing learning remotely whilst staying safe at home.

To ensure learning continues for all our pupils we have a team of teachers in school and a team of teachers supporting home learning. All pupils who are working remotely will be offered group and 1:1 virtual learning sessions with their teacher. We will also hold drop in sessions with their peers who are in school. We have attached a copy of our remote learning guidelines for you information.

Class teachers will provide parents/ carers with a suggested timetable for the day and activities that have been personalised for you child. These will include activities to help them work towards their learning goals and their EHCP outcomes, as well as their speech and language, OT and physio plans.

All classes have their own email address to allow direct communication between parents/ carers and the class team. Please check your email regularly for updates and general class information. Teachers will also set activities on EFL so continue to check this. It would be wonderful if you could upload pictures of your child working at home so we can see the progress they are making.

If you have difficulty accessing online learning and need support for any reason please your class teacher or Julie Cook ([Julie.cook@limetrust.org](mailto:Julie.cook@limetrust.org)). The Government are offering free sim cards and wifi boosters as well as devices for our most vulnerable pupils. There are no guarantees but we will do all we can to support you.

We hope that school can resume for all as soon as possible, but in the meantime please make sure you join us from the safety of your home.

If you have any questions please feel free to contact us.

Yours faithfully

Victoria Fackler  
Director of Education - SEND
