Message from SLT

We will be holding a virtual parents evening on the 3rd March to discuss progress being made in school and at home and to share your child's new digital passport with you. Please make sure you send your preferred time back to your child's class teacher.

We have been working really hard to ensure our remote learning offer meets the needs of all of our pupils. Our offer includes 1:1 personalised virtual sessions, group sessions, drop ins on class, suggested daily timetables, drop in sessions and personalised learning activities. We would be really interested in hearing from parents/carers about what is working well and even better if you have any ideas. If you have any comments and suggestions please email them to: Remote.Learning@limetrust.org Please remember to check our website for all up to date guidance regarding Covid-19 www.limeacademyravensbourne.org Have a lovely weekend.
