Message from SLT

It has been a very busy and fun half term, both in school and at home. It has been lovely to see all the fun activities and learning that has been taking place. We are delighted so many pupils have been joining in our group and 1:1 virtual learning sessions whilst shielding at home. We are really hoping that the coming weeks will see things slowly returning to normal and we are able to welcome more pupils back to school soon.

Thank you for your continued support over the past half term.

Wishing you all a peaceful and safe break.

COVID-19:

Wash Hands, Cover Face, Make Space

<https://www.gov.uk/coronavirus>

If your child tests positive for Covid-19 during the break we kindly ask that you notify us if the symptoms appeared within 48 hours of them last being in school. Please text the school: 07867 397769 so we can initiate our track and trace procedures. Please remember to include your child's name, when they started to display symptoms and when they tested positive. If the symptoms appeared after 48 hours of them last being in school, then you should arrange a test immediately and follow the contact tracing instructions provided by the NHS Test and Trace.

Dinner Menu

The dinner menu after half term will be Week 1. For more information, please go to: <http://limeacademyravensbourne.org/academy-information/academy-meals/>

Pupils of the week

Lemuel

For joining the whole school Makaton session

Nicole

For spontaneously doing things for herself.

Well done!

15-19th February: Half Term

3rd March: Virtual Parents Evening

5th March: World Book Day (shared learning session)

19th March: Comic Relief

1st April: Last day of term

Remote Learning

We have been working really hard to ensure our remote learning offer meets the needs of all our pupils. Our offer includes 1:1 personalised virtual sessions, group sessions, drop ins on class, suggested daily timetables, drop in sessions and personalised learning activities. We would be really interested in hearing from parents/carers about what is working well and even better if you have any ideas. If you have any comments and suggestions please email them to: Remote.Learning@limetrust.org

Hawking Class Explore Space!

This half term Hawking Class have been exploring space. They have learnt about planets, spaceships, rockets and stars through lots of different activities and media.
