Dear Parents/Carers

### **Introduction to Positive Parents**

On Tuesday 23<sup>rd</sup> March Karen Street from Positive Parents will be hosting a virtual information session via Zoom.

Positive Parents are an independent organisation for parents and carers of children and young people with special educational needs and disabilities living in Havering. They are an invaluable source of information and support; and through their direct work with the local authority, education and health, ensure parent and carers views shape the provisions and services available locally.

Karen would love to talk to any parent or carer who is not familiar with the organisation and is interested in learning more. Karen is incredibly warm and welcoming and as the parent of a young adult with additional needs herself, has an insight into some of the challenges faced when navigating the world of special needs.

A link to the session can be found below. We would love to see as many people as possible on the day -

**Tuesday 23<sup>rd</sup> March at 11am via Zoom.**

There is also a Facebook page where families are encouraged to share news, ask questions and importantly build relationships and make new friends.

Yours faithfully
