

28th June 2021

Dear Parents/Carers

School Uniform September 2021

We will be introducing a new school uniform in the Autumn Term, to align us with other schools in Lime Trust and to incorporate our school logo.

The colour of our uniform will be changing to navy blue. Embroidered items will be available via the 'My Clothing website'. Please log on www.myclothing.com and search for Lime Academy Ravensbourne. You can then create an account to order our embroidered uniform online.

You do not have to purchase uniform from the above site, pupils can just wear plain blue sweatshirts and white t-shirts, which can be purchased in most children's clothing shops and supermarkets.

If you have recently purchased school uniform for your child, they can continue to wear this until it needs replacing, it will be a phased change over the coming months.

We also appreciate some of our pupils will not tolerate wearing a uniform, so whilst it is recommended as a uniform can help identify when it is time for school, it is not compulsory.

Finally, many of the activities undertaken at school involve sensory exploration and as a result clothing may become dirty. Staff will always try to ensure that mess is kept to a minimum, however, please be mindful of this when dressing your child for school. Please also remember that if your child requires an apron at mealtimes to protect their clothing, this should be sent in daily.

Yours faithfully

Victoria Fackler
Headteacher
