Pupil Entitlement

All pupils in years 8-14 in England are entitled by Law to the following:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- to understand how to make applications for the full range of academic and technical courses.

While we fully acknowledge that the above is unlikely to match the aspirations and pathways into adulthood for our pupils, we allow full access from external providers upon request.
