

23<sup>rd</sup> September 2021

Dear Parents/Carers

We are in the process of completing our final pool checks and we are hoping to be able to reopen the hydrotherapy pool on Monday 27<sup>th</sup> September.

We have had to put increased safety and cleaning measures in place between sessions, which may mean we need to run on a reduced timetable. Our first priority is to try and allow all the pupils to access the pool at least once each week. We hope to be able to increase this once routines become established, but the health and safety of staff and pupils will be at the forefront of all decisions made.

Your class teacher will let you know the day your child will be going to the pool. Please ensure they bring in their swimming kit including a swimming costume, swim liners if required, a towel and a swim hat if possible.

There are bound to be some teething problems as we reopen the pool after 18 months, so thank you in advance for your patience and understanding.

Yours faithfully

Victoria Fackler  
Headteacher
