

Message from the Head teacher:

I hope you and your families are all keeping safe and well.

Teachers are continuing to organise remote learning sessions using Google Meets. They also setting fun activities that you can do at home with your child on Evidence for Learning. Please continue to add your own photos and videos - it is great to see our pupils looking well and having fun! If you have problems accessing either of these please email the school.

Stay safe and stay smiling.

Kind regards,

Mary Bickmore

The Government advised schools to plan a phased return starting from 1st June 2020. Schools will only reopen when it has been assessed as safe to do so and this will be for a reduced number of pupils on a reduced timetable. Special schools, special post-16 institutions and hospital schools have been told to work towards welcoming back as many children and young people as can be safely catered for in their setting. We are continuing with our risk assessments to see if and when it is safe to open our school. The safety of our pupils and staff is our priority and we will only open if it is safe to do so.

You should have received an update letter regarding the phased re-opening of the school via Parentmail today. This has also been published on the school website for your information.

Pupils of the Week

Sabrin: for joining in her first google meet session and taking part in the session with big smiles

Wiktor: for helping his Mummy to make lunch

Simmonds Class – getting creative!

Simmonds Class have been using their time at home to get creative! They have been spending time with their families, working together to make different things. They have been using their fine motor skills to carefully put their creations together. Well Done Simmonds Class for continuing to work hard at home!
