

Message from the Head Teacher:

Welcome back to our Autumn Term, albeit it a very different start to what we are normally used to. It was lovely to see the children arrive with smiling faces, looking pleased to be back at school.

We will be carefully following government guidance to ensure that we put into place proportionate protective measures for children and staff; enabling us to effectively manage risk and minimise the number of contacts that a pupil has during the school day, whilst ensuring that all pupils receive a high quality education that enables them to thrive and progress. Our highest priority is keeping the children and staff safe.

Mary Bickmore, Headteacher

Keeping in Touch

All updates will be posted on the school website and sent via Parentmail. If you have any general questions or queries, please email us at: office@limeacademyravensbourne.london

You can also contact Julie Cook, our Family Support Worker, on the main school telephone number or via email at julie.cook@limetrust.org

Parents Section

We are asking parents who bring their children to school and collect them at the end of the school day, to please remain at the school pedestrian entrance gate and not enter the school premises. A member of staff from your child's class will collect them at the gate from you. In the afternoon, a member of staff will bring your child to the same gate for you to collect them. This way we are minimising the amount of visitors who are coming onto the school site. Thank you for your assistance in this matter.

Also due to the current situation we will be moving our daily home school communication through our Evidence for Learning platform. If you have any issues with logging in, please do contact the school for assistance.

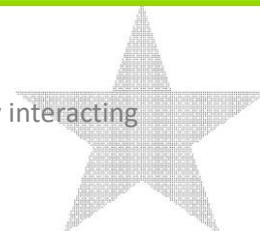

Please remember to keep your eyes on our school Twitter account as we will keep this updated: @RavensbourneSC1

It has been lovely to see the children come back to school these last couple of days. These are a few snippets of what they have been enjoying.
