

Message from the Head Teacher:

I can't believe that we are now at the end of our third week already! Everyone seems to be getting used to the new routines and adapting well to being back at school.

Our topic maps were sent home last week. From next week please do look out on Evidence for Learning for some of the activities your child has been experiencing in class. Also it is always great to see what our young people are getting up to at home so remember to upload your evidence and send it through.

Have a lovely weekend and enjoy the nice weather!

Mary Bickmore, Head teacher

ASDAN Success

Congratulations to the leavers of 2020, they have all received a Personal Progress Certificate. We are very proud of them all. They worked really hard towards their certificate throughout their school life, even though times have been difficult they have still achieved their ASDAN. We wish them good luck with their next challenges in life.
