

Message from the Head Teacher:

We are continuing to keep to the guidelines of 'Hands, Face and Space' with all our pupils and staff, to ensure everyone's safety whilst on the school site.

Please continue to check your Evidence for Learning as this is our daily home/school communication method and we want to keep this running as efficiently as possible so we can keep in touch.

Have a lovely weekend, and keep safe and well.

Mary Bickmore

Parents/Carers Section

As you are aware, due to the current situation, our daily home/school communication is now on our Evidence for Learning platform. If you have any issues with logging in, please do contact the school for assistance.

Pupils of the Week

George:

for remaining calm whilst being hoisted into his standing frame

Jagdeep:

for spending time in his walker, moving around the classroom

Message from the Deputy Head:

I can't believe it is the end of week six. It has been great to see all the lovely learning taking place this week. From the 'Hokey Cokey' with body parts, to Sixth Form developing their early Maths skills, and our EYFS team focusing on developing the use of switches.

It is also so great to see all your comments on our EFL about your child's learning, so keep them coming please.

Have a great weekend.

Teneille Dardis

Black History Month – throughout October
 ADHD Awareness Month – throughout October
 Shared Learning 'Harvest Celebration' – 22nd October
26th October – 30th October – HALF TERM
 Children in Need – 13th November
 18th December – Last day of term

ADHD Awareness Month

Attention-deficit/hyperactivity disorder (ADHD) is a neurodevelopmental disorder affecting both children and adults around the globe.

Black History Month – October

October is Black History Month in the UK. It is a month dedicated to highlighting the achievements of the black community, celebrating their contributions and learning about important black historical figures.

Keller Class – Our Community

During this term Keller Class are learning about themselves and their community. They have recreated their faces using a range of materials and ingredients. They have been greeting their friends at school, singing and using switches. They have baked together and have had lots of fun. This term they have baked tea loaf and apple crumble.
