Message from SLT

Happy New Year!

We hope you all had a peaceful and safe Christmas. The start of term has not been how we had hoped or planned but staff have been working tirelessly behind the scenes to set up remote learning and to keep things as 'normal' as possible for our pupils. We would like to thank you for your support and understanding in these difficult times. Please be assured the health and safety of our school community is the key driver in all decisions made.

COVID-19:

Wash Hands, Cover Face, Make Space

Havering has now moved into national lockdown.

For guidance on local restrictions please go to:

<https://www.gov.uk/coronavirus>

If your child develops symptoms, or tests positive for COVID-19, please let the school know during the school day or out of hours, text the school:

07867 397769 or email:

limeacademyravensbourne.office@limetrust.org

so we can initiate our track and trace procedures.

Please remember to include your child's name, when they started to display symptoms and when they tested positive. Thank you.

Mobile Data Offer

If you are struggling to engage with your child's daily online learning programme due to having no fixed broadband connection and limited data, please refer to the letter sent out via Parentmail yesterday. The DfE has launched a scheme which allows eligible parents to apply for additional data from their mobile provider at no extra cost.

Terms and conditions apply and the offer is available to a limited number of applicants only, however, if you would like further information please contact our Family Support Worker, Julie Cook at julie.cook@limetrust.org

Pupils of the week

Ruby

For engaging with a sensory story during her first ever online session

Carl

For working hard and completing all the activities set for him

Dinner menu

Next week the dinner menu will be Week 2. For more information, please go to:

<http://limeacademyravensbourne.org/academy-information/academy-meals/>

12th February: Last day of term

5th March: World Book Day

19th March: Comic Relief

Remote Learning

Teachers will be running daily remote learning sessions using Zoom. Details of these sessions will be sent out by your child's class teacher so please make sure you regularly check your emails. Each class now has its own email address. This replaces the home/school books and should be used for general communication with your child's class teacher. Please note teachers will be unable to check emails during the teaching day and will only respond during working hours.

Welcome back to school

Even though our opening has not been as planned, it has been lovely to see the children's faces via the daily Zoom sessions. If you are having any problems with logging into the Zoom sessions, please email their teacher using their class email address.
