Message from SLT

As you aware, this term has not started as we hoped and, as we have entered another National Lockdown, many pupils are once again accessing learning remotely whilst staying safe at home. To ensure learning continues for all our pupils we have a team of teachers in school and a team of teachers supporting home learning. Please check your emails regularly for updates from your child's class teacher. It is lovely to see photos on EFL of all the fantastic work and learning that is going on at home!

COVID-19:

Wash Hands, Cover Face, Make Space

For guidance on local restrictions please go to:
<https://www.gov.uk/coronavirus>

If your child develops symptoms, or tests positive for COVID-19, please let the school know during the school day or if it is out of hours, text the school: 07867 397769 or email:

limeacademyravensbourne.office@limetrust.org
 so we can initiate our track and trace procedures.

Please remember to include your child's name, when they started to display symptoms and when they tested positive. Thank you.

Free School Meals

The Department for Education are launching their Free School Meal voucher scheme on Monday 18th January, in acknowledgment that a large number of students who would usually receive a free lunchtime meal are not in school. The vouchers will be sent electronically via email/text and can be spent in a range of high street supermarkets.

I would encourage any parent who believes they may be eligible to apply online at
https://www.havering.gov.uk/info/20006/schools_and_education/431/school_support

Pupils of the week

Emily

For making a fantastic effort to complete her home schooling tasks

Ayo

For taking part in daily remote sessions with his mum and trying his best to have a go at the activities

Dinner Menu

Next week the dinner menu will be Week 1. For more information, please go to:

<http://limeacademyravensbourne.org/academy-information/academy-meals/>

15-19th February: *Half Term*

5th March: *World Book Day*

19th March: *Comic Relief*

Remote Learning

We acknowledge that for some families, participating in your child's online learning sessions may be difficult, particularly if you have limited or no access to a suitable device, no fixed broadband connection or a restricted data allowance. If you are having difficulty joining sessions for any of these reasons, please contact our Family Support Worker, Julie Cook, as we may be able to support with loaning devices and/or additional data.

Reeve Class

Reeve Class have had a great start to the new term. Some of them are learning from home and some of them are learning in school, but they are all having lots of fun exploring outer space together!
