## Message from SLT

We are already half way through this half term and things have been really busy, both in school and virtually. It has been wonderful to see so many pupils joining in our remote learning sessions and we love seeing photos showing the fun they have been having whilst working at home on Evidence for Learning.

Teachers are offering both 1:1 and group virtual learning sessions. If you cannot make the 1:1 session time offered to you, please let your child's class teacher know and they will do their best to rearrange. Pupils who cannot attend school are expected to engage in the remote learning being offered. If your child is unwell and cannot attend sessions for any reason, please email your class teachers and let them know so we can mark our registers accordingly. If your child is in school, please telephone the school office before 9 to inform us if they are unable to attend. This will allow us to ensure classes are all staffed correctly. Thank for your co-operation. Have a lovely weekend.

## COVID-19:

### Wash Hands, Cover Face, Make Space

For guidance on local restrictions please go to: <https://www.gov.uk/coronavirus> If your child develops symptoms, or tests positive for COVID-19, please let the school know during the school day or if it is out of hours, text the school: 07867 397769 or email:

[limeacademyravensbourne.office@limetrust.org](mailto:limeacademyravensbourne.office@limetrust.org) so we can initiate our track and trace procedures. Please remember to include your child's name, when they started to display symptoms and when they tested positive.

Thank you.

## Weir Class

Weir Class' topic this half term is 'Space'.

They have been looking at rockets, astronauts and spaceships. They used the interactive whiteboard to make the Northern lights by stretching their arms and using their fingers. They sprinkled glitter on their astronauts by shaking the container. They had great fun in their sensory 'moon' session.
