Message from SLT

Teachers have been really busy creating a range of fun and exciting activities that pupils can work on remotely. Please remember to check your emails and Efl regularly for updates. If your child is finding it hard to engage, please contact their teacher who will be able to offer support and to suggest ways to motivate and encourage them to participate.

We will be holding a virtual parents evening on the 3rd March to discuss progress being made in school and at home and to share your child's new digital passport with you. Please make sure you send your preferred time back to your child's class teacher.

If your child has an appointment during the school day, we kindly ask that you inform the school office in advance and that you send in a copy of their appointment letter. This is to allow us to code their absence correctly and to ensure your child will be ready when you come to collect them. Thank you for your support. Have a lovely weekend and stay safe.

COVID-19:

Wash Hands, Cover Face, Make Space

<https://www.gov.uk/coronavirus>

If your child develops symptoms, or tests positive for COVID-19, please let the school know during the school day or if it is out of hours, text the school: 07867 397769 or email: limeacademyravensbourne.office@limetrust.org so we can initiate our track and trace procedures. Please remember to include your child's name, when they started to display symptoms and when they tested positive. Thank you.

Free School Meals

Following the launch of the DfE Voucher Scheme, vouchers will be issued to the parents of all students who are not currently attending school and are eligible for free school meals. Vouchers will be issued on a fortnightly basis for £30 and can be redeemed in a range of major supermarkets including Sainsburys, Tesco, Asda, Morrisons and Iceland. The vouchers will be issued by our provider 'Wonde' and will be sent via text and email.

Keller Class

Keller Class have been very busy learning about shops in the local area. They have been exploring different fruits and food they can buy from local supermarkets to make smoothies. Some of them loved the sound and vibrations of the blender, and others enjoyed trying all the different flavours.
