

Message from SLT

We hope you all had a peaceful and happy Easter break. It has been wonderful to see so many of our pupils back in school this week. All classes have started their new topics and there are lots of fun and exciting activities planned for the coming weeks. Please remember to regularly check your email for updates and information from your child's class teacher. We would like to offer congratulations to Kelly and Anjolie who both gave birth to baby girls during the holiday.

The School Day

From Monday we will be returning to our old school start and finish times and we will no longer be operating a staggered start. This is to reduce congestion in Neave Crescent which is posing a health and safety issue. We have planned the car park to allow all buses to arrive at the same time while still maintaining social distancing. A separate letter has been sent home with more details.

Covid 19

In order to keep our school community safe we are encouraging everyone to participate in the twice weekly testing system being run by the government. If your child tests positive, please contact us on 07867-397769 to enable us to initiate our track and trace procedures.

Thank you for your continued support in these unusual times.

Wash hands, make space, cover face!

Pupils of the week

Eric

for working really hard all week including matching numbers to 10 and completing a story board

Amirah

for responding to her name

3rd May: May Bank Holiday
31st May - 4th June: Half Term
16th July: Last day of Summer Term

Transport

Havering Council are now accepting applications for home to school travel assistance for the 2021/22 Academic Year. All applications must be made online via the following link:

[School travel assistance | School support | The London Borough Of Havering](#)

If your child is currently transported to and from school via a bus or taxi provided by Havering Transport you **MUST** reapply in order to be considered for support
The closing date for applications is Friday 28th May 2021.

Should you have any queries please email CADTransport@Havering.gov.uk

Sensory Exploration in Wonder Class

Wonder Class have been reading the story 'Jack and the Beanstalk'.

They explored different beans and felt their textures. They added water to see how they changed. They really enjoyed dropping them into the tray and then watching and listening to them as they fell!
