

Message from SLT

We are now 3 weeks into the Summer term and it has been wonderful to see how quickly and how well all our pupils have settled back into school following lockdown.

In order to continue to keep our school community safe we are encouraging everyone to participate in the twice weekly testing system being run by the government. If your child tests positive, please contact us on 07867 397769 so we can initiate our track and trace procedures.

We kindly ask that all visitors to the school wear a face covering, if a 2m distance cannot be adhered to.

Thank you for your continued support in these unusual times.

Wash hands, make space, cover face!

Communication

All whole school communication is sent out via ParentMail, so in order to make sure you are kept fully up to date with everything that is going on please make sure you have an active account. Please contact the school office if you need help setting this up. In addition, each class has its own email account which the class teacher will use to let you know about class specific events and to inform you about how your child is in school. Please note that teachers will only email during working hours, 8-5, and outside of direct teaching time.

Pupils of the week

Jack

for working well with a switch and using it on cue when saying hello in the morning greeting session. Also for working hard to hold items in his right and left hand for a short period of time.

Maxwell

for building wonderful relationships with staff and his peers. He has been spontaneously walking over to staff, initiating interactions and joining his peers to engage in their learning activities

31st May - 4th June: Half Term

16th July: Last day of Summer Term

Transport

Havering Council are now accepting applications for home to school travel assistance for the 2021/22 Academic Year. All applications must be made online via the following link:

[School travel assistance](#) | [School support](#) | [The London Borough Of Havering](#)

If your child is currently transported to and from school via a bus or taxi provided by Havering Transport you **MUST** reapply in order to be considered for support
The closing date for applications is Friday 28th May 2021.

Should you have any queries please email CADTransport@Havering.gov.uk

Sensory Fun in Weir Class

Weir Class have been developing their expressive communication, sensory exploration, as well as their physical and social needs. They have been bringing sensory stories to life whilst exploring and experiencing aspects of a magical garden both in their classroom and in the outside areas to engage all of their sensory systems. They have also been experiencing moments of calm to enable them to self-regulate and to prepare them for learning.
