

## Message from SLT

As lockdown eases it is really important we continue to follow the rules in order to continue to keep our school community safe. As our pupils are not able to socially distance staff will continue to wear face covering if a 2m distance cannot be adhered to and when supporting with personal or intimate care.

We also strongly encourage everyone to participate in the twice weekly testing system being run by the government. If your child tests positive, please contact us on 07867 397769 so we can initiate our track and trace procedures.

Thank you for your continued support in these unusual times.

Wash hands, make space, cover face!
