

Message from SLT

We are at the end of busy and fun filled half term. It has been wonderful seeing nearly all our pupils happy and settled back in school. This half term we have hosted our Movement in May shared learning session as well as celebrating what makes us all unique during National Autism awareness month. All classes have been working hard on their topics, as well as towards personal learning goals.

Wishing you all a safe and peaceful half term – fingers crossed the sun may make an appearance!

Covid 19

To help keep your family and friends safe, we urge you to take a rapid (LFD) test twice a week, 3-5 days apart. Please ensure you and your family test before returning to school on 7th June after the half term holidays.

Secondary school age children are provided free tests via their school. Family members can collect tests from a number of community collection points including pharmacies: <https://maps.test-and-trace.nhs.uk/#/location/Romford/map> or you can get them delivered straight to your home.

For more information, please see:

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing/regular-rapid-coronavirus-tests-if-you-do-not-have-symptoms>

As restrictions start to ease, it is vital we remain vigilant. Please help us stop new variants from spreading by following the rules, remembering hands, face, space and fresh air, and testing regularly

Pupils of the week

Sebastian N

For rolling over independently

McKenzie

For staying calm and focusing on his tasks

31st May - 4th June: Half Term

7th July: Virtual Parents Evening

16th July: Last day of Summer Term

Transport Application Deadline

Please note today is the final day for applications for home to school travel assistance for the 2021/22 Academic Year. All applications must be made online via the following link:

[School travel assistance | School support | The London Borough Of Havering](#)

If your child is currently transported to and from school via a bus or taxi provided by Havering Transport you **MUST** reapply in order to be considered for support.

Simmonds Class have been exploring the Magic Garden

Simmonds Class have been exploring the topic 'The Magic Garden'. They have been making mythical creatures and planting magical beans. They have also been developing their fine and gross motor skills through a range of different activities.
