

Message from SLT

We have had a great start to the Spring term.

All classes have launched their new topics and are having fun learning about dinosaurs and the Jurassic world. Please be aware that many of our sessions may be messy, so we kindly ask that you send in an apron or old shirt for your child to wear during these activities. Don't forget to check your email regularly as your child's class teacher will send you regular updates about key and exciting events that have happened during the week. Please remember that during the school day our priority is teaching and learning and the safety and wellbeing of pupils, so teachers will email outside of class time and during working hours.

Pupil Paperwork

We have sent home a copy of your child's new digital passport. These have been introduced as an overview of each child, outlining their targets, how they communicate, their behaviour plan and any support they may need in class. These are shared documents so please feel free to make any comments, if needed, and we will update them accordingly. In addition, some pupils, if they present with behaviours that may cause harm to themselves or others, may have a risk assessment as well. Pupils who require help with toileting will have an intimate care plan. Please make sure you sign and return these for our records.

Covid 19

1 in 3 infected people show no symptoms, and in children symptoms are often very mild and similar to a common cold, so we kindly request you continue twice weekly testing. If your child cannot tolerate a lateral flow test, we suggest that a parent/carer take it instead. If your child tests positive, please inform the school. Thank you for your continued support and understanding in these difficult times. We sent home a link earlier in the week for you to log your results, but there is a technical issue with this that we are trying to sort out. Apologies for any inconvenience caused.

Pupils of the week

Berin

for interacting with her peers more, walking over and greeting them during the morning greeting session

Izu

independently completing all his tasks at his workstation, and also for completing a challenging sorting task with an adult

- 14th-18th February: Half Term
- 1st April: last day of the Spring Term
- 19th April: 1st day of the Summer Term
- 2nd May: Bank Holiday
- 27th May: Queens Jubilee Holiday
- 30th May-3rd June: Half term
- 19th July: Last day of the Summer term

Creative Learning In Keller Class

Keller Class have been making Salt Dough Fossils. The pupils really enjoyed mixing the salt, flour and water and then making footprints using the dinosaurs' feet!
