

Remote Learning Policy

Lime Academy Ravensbourne

Date: **January 2022**

Review date: **January 2023**

Lime Trust

Lime Trust is founded upon four principles: Leadership, Innovation, Motivation and Excellence. It creates a sustainable group of exceptional, high-performing schools that improve life chances, and are trusted and respected in their communities. Lime Trust provides a high quality education for pupils through school-to-school collaboration, Trust direction, high challenge and support.

Along with our principles, Lime Trust has core values that are demonstrated and upheld by our pupils, employees and stakeholders. Respect for all underlines our seven core values:

Respect
Equality
Self-worth
Partnership
Enjoyment
Communication (a voice for all)
Trust

Purpose

Due to the COVID-19 pandemic, most schools in the UK have had periods of closure and/or have reduced numbers to maintain a safe learning environment.

Meeting the needs of our pupils, while keeping everyone safe, continues to be our main objective.

As a result of the potential reduction in the numbers of pupils attending the school due to Covid, we have developed a system of remote learning. This is to enable every pupil to have the opportunity to continue with education during these times.

This system of remote learning could also be used for the school's general duty to meet the learning needs of pupils with medical conditions, offering a long-term, supportive solution to ensuring access to high quality education. It also allows our teachers who have to self-isolate or shield to continue to support our pupils when they are well and able to do so.

The purpose of this policy is to:

- Ensure a shared understanding of what remote learning is
- Ensure consistency in the approach to remote learning
- Set out expectations for all members of school staff with regards to remote learning
- Provide appropriate guidelines for data protection
- Reduce disruption to pupils' education and the delivery of the curriculum, so that every pupil has access to high quality learning resources, including the post 15 day medical needs provision
- Ensure that safeguarding measures are continued during remote learning, including robust understanding of online safety
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to support emotional, social and health wellbeing during periods of remote learning
- Ensure parents and carers are fully aware of the support available to maintain their

children's educational outcomes during periods of non-attendance at school

Remote Learning will be offered:

- When a pupil has to self-isolate due to having had a positive LFT or PCR
- When a pupil has to self-isolate due to being a close contact of someone who has tested positive for Covid and they cannot undertake daily LFT or if they are medically vulnerable
- When the school is partially or fully closed to pupils due to staff shortages caused by Covid
- When a child has been advised to self-isolate on medical grounds or in advance of a medical procedure

Parents/ carers will be sent a link to the remote learning platform and instructions on how to log on. Pupils will be offered remote learning session with the class teacher and/ or virtual drop in sessions with their class in school. All links will be sent to parents/ carers via their child's class email account.

Application of the Policy

Roles and Responsibilities

The Headteacher and Senior Leadership Team (SLT) are responsible for:

- Ensuring that staff, parents, and pupils always adhere to the relevant policies
- Ensuring that there are arrangements in place for identifying, evaluating, and managing the risks associated with remote learning
- Ensuring that there are arrangements in place for monitoring incidents associated with remote learning
- Overseeing that the school has the resources necessary to action the procedures in this policy
- Reviewing the effectiveness of this policy and communicating any changes to staff, parents, and pupils on an ad hoc basis
- Arranging any additional training staff may require supporting pupils during the period of remote learning
- Conducting reviews on a weekly basis of the remote learning arrangements to ensure the delivery of pupils' education

The Health and Safety Lead is responsible for:

- Ensuring that the relevant health and safety risk assessments are carried out within the agreed timeframes
- Putting procedures and systems of learning into practice, which are designed to eliminate or reduce the risks associated with remote learning linked to safeguarding
- Ensuring that pupils identified as being at risk are provided with necessary information and instruction, or parents/carers advised
- Managing the effectiveness of health and safety measures using the local reporting systems for recording incidents

The Data Protection Lead is responsible for:

- Overseeing that all school-owned electronic devices used for remote learning have adequate anti-virus software and malware protection

- Ensuring all staff, parents, and pupils are aware of the data protection principles outlined in data protection legislation in relation to remote and online learning requirements
- Ensuring that all computer programmes used for remote learning are compliant with data protection legislation

The Designated Safeguarding Lead (DSL)/ SLT are responsible for:

- Attending and arranging, where necessary, any safeguarding meetings that occur during the remote learning period
- Liaising with ICT support to ensure that all technology used for remote learning is suitable for its purpose and will protect pupils online
- Identifying vulnerable pupils who may be at risk if they are learning remotely
- Ensuring that child protection plans are enforced while the pupil is learning remotely and liaising with the Headteacher and other organisations to make alternate arrangements for pupils that might include contacts for those who are at a high risk, in cooperation with social care
- Identifying the level of support or intervention required while pupils learn remotely and ensuring appropriate measures are planned with parents and carers
- Liaising with relevant individuals to ensure vulnerable pupils receive the support required during the period of remote learning, ensuring all safeguarding incidents are adequately recorded and reported

The Trust's ICT team is responsible for:

- Ensuring that all school-owned devices used for remote learning have suitable anti-virus software installed, have a secure connection, can recover lost work, and allow for audio and visual material to be recorded, where required
- Ensuring that any programmes or networks used for remote learning can effectively support many users at one time, where required
- Working with the Teaching and Learning Leads to ensure that the equipment and technology used for learning remotely is accessible to all pupils and staff or can support parents and carers supporting education at home

Staff members are responsible for:

- Always adhering to this policy during periods of remote learning
- Reporting any health and safety incidents to the Health and Safety Lead and following guidance
- Reporting any safeguarding incidents to the DSL
- Taking part in any training to meet the requirements of this policy, including training on how to use the necessary electronic equipment and software
- Reporting any dangers or potential dangers they identify, as well as any concerns they may have about remote learning, to the Headteacher
- Reporting any defects on school-owned equipment used for remote learning to an ICT Technician

Parents and Carers are responsible for:

- Always adhering to this policy during periods of remote learning
- Ensuring their child is available to learn remotely at times scheduled by the school •
- Reporting any technical issues to the school as soon as possible

- Ensuring that their child has access to remote learning materials during the times set out
- Reporting any absence before the session has begun
- Ensuring their child uses the equipment and technology used for remote learning as intended
- Adhering to the school rules and terms of this policy

If Teachers are self-isolating but do not have Covid, they are expected to:

- Be available between 8:30AM - 3:30PM. If they are unable to work for any reason during this time, for example due to sickness or caring for a dependant, they should report this using the normal absence procedure
- Set work/learning activities appropriate to the needs of pupils
- Allocate pupils they need to provide work for, including if they may need to cover for other classes
- Ensure the number of work/activities they need to provide to meet the needs of pupils
- Coordinate with other teachers to ensure consistency
- Provide feedback on work/activities
- Handle any complaints in line with the Trust's Complaints Policy
- Attend virtual meetings
- Wear appropriate clothing when leading virtual learning sessions
- Ensure their online background setting does not show their home or premises to maintain a professional role
- Liaise with teaching assistants with regards to appropriate resources or next steps in learning

If Teaching assistants are self-isolating but do not have Covid, they are expected to:

- Be available between 8:30AM – 3:30PM. If they are unable to work for any reason during this time, for example due to sickness or caring for a dependant, they should report this using the normal absence procedure
- Wear appropriate clothing when joining virtual learning sessions
- Ensure their online background setting does not show their home or premises to maintain a professional role
- Liaise with teachers about planned teaching and learning

Senior leaders, alongside any teaching responsibilities, are responsible for:

- Coordinating the remote learning approach across the school
- Monitoring the effectiveness of remote learning – through Teaching and Learning reviews, regular meetings with teachers and leaders, reviewing work/activities set and/or reaching out for feedback from pupils and parents
- Monitoring the security of remote learning systems, including data protection and safeguarding considerations

Who to Contact

If staff have any questions or concerns, they should contact the following individuals

- Issues in setting work – line manager
- Issues with behaviour – line manager
- Issues with IT – Service Desk at School Business Services or Teneille Dardis
- Issues with their own workload or wellbeing – line manager
- Concerns about data protection – Vicki Fackler
- Concerns about safeguarding – Vicki Fackler

Data Protection

This section of the policy will be enacted in conjunction with the Lime Trust Data Protection Policy.

Staff members will be responsible for adhering to data protection principles when teaching remotely and will always ensure the confidentiality and integrity of their devices.

Sensitive data will only be transferred between devices if it is necessary to do so for the purpose of remote learning and teaching.

Any data that is transferred between devices will be suitably encrypted or have other data protection measures in place, so that, if the data is lost, stolen, or subject to unauthorised access, it remains safe until recovered.

Parents' and pupils' up-to-date contact details will be collected prior to the period of remote learning.

All contact details will be stored in line with the Trust's Data Protection Policy.

Any breach of confidentiality of any type, including international breaches, will be dealt with in accordance with the Trust Data Protection Policy, which considers the ICO guidelines.

Online Safety

This section of the policy will be enacted in conjunction with the school's Safeguarding and Child Protection Policy.

All staff and pupils using video communication (where this is deemed appropriate) must:

- Be situated in a suitable 'public' living area within the home with an appropriate background – 'private' living areas within the home, such as bedrooms, are not permitted during video communication
- Use appropriate language – this includes others in their household
- Maintain the standard of behaviour expected in school
- Use the necessary equipment and computer programmes as intended
- Not record, store, or distribute video material without permission
- Ensure they have a stable connection to avoid disruption to lessons
- Be aware that they are visible to others during live virtual learning sessions

The school will consider whether one-to-one sessions are appropriate in some circumstances e.g., to provide support for pupils with more complex needs or in situations of crisis. This will be decided and approved by the SLT in collaboration with the teacher and may include an observer at both ends of the live feed.

We will risk assess the technology used for remote learning prior to use and ensure that there are no privacy issues or scope for inappropriate use.

We will consult with parents prior to the period of remote learning about what methods of delivering remote teaching are most suitable – alternate arrangements will be discussed with parents as required.

We will ensure that all school-owned equipment and technology used for remote learning has suitable anti-virus software installed, can establish secure connections, can recover lost work, and allows for audio and visual material to be recorded or downloaded, where required.

We will communicate to parents via letter, email or telephone about any precautionary measures that need to be put in place if their child is learning remotely using their own/family-owned equipment and technology e.g., ensuring that their internet connection is secure.

All our pupils will require adult support when using technology in the home.

During the period of remote learning, the school will maintain regular contact with parents and carers to:

- Reinforce the importance of children staying safe online.
- Ensure parents are aware of what their children are being asked to do e.g., the sites they have been asked to use and the staff members they will interact with
- Direct parents to useful resources to help them keep their children safe online

We will expect parents to regularly check controls on devices and internet filters to block malicious websites

We will not be responsible for providing access to the internet off the premises and will not be responsible for providing online safety software e.g., anti-virus software on devices not owned by the school or the Trust.

Monitoring

Staff will monitor the academic progress of pupils with and without access to the online learning resources and discuss additional support or provision as required.

Learning materials

For providing remote learning, we may make use of:

- Physical resources
- Online learning portals, including a shared portal hosted by the LGFL. For this purpose, login details and set activities personalised for your child will be shared. Other educational websites may also be used, including EFL (or similar) where appropriate
- Practical activities which can be supported or delivered at home
- Recorded webinars or similar
- Pre-recorded video or audio lessons
- Live lessons where a suitable presence in the classroom is required
- Sensory resources
- Activities based upon the advice of a speech and language therapist, occupational therapist, or physiotherapist

Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote learning. Where further changes are made to EHCP provision, this will be recorded in line with their EHCP review paperwork.

Lesson plans will be adapted to ensure that the curriculum remains fully accessible via remote learning. Where this is not practical, we will ensure pupils can catch up on these areas of the curriculum when they return, in discussion with parents and carers.

Teaching staff will liaise with the leadership team and other relevant members of staff to ensure all pupils remain fully supported for the duration of the remote learning period.

Any defects or issues with remote learning resources will be reported as soon as possible to the relevant member of staff.

Pupils will be required to use their own or family-owned equipment to access remote learning resources, unless we agree to provide or loan equipment e.g., laptops when and if these are available. Pupils and parents will be required to maintain the upkeep of any equipment they use to access remote learning resources.

Teaching staff will oversee progression for the duration of the remote learning period and will review and provide feedback. The arrangements for any 'live' classes e.g., webinars will be communicated via email or telephone in advance, no later than one day before the allotted time, and kept to a reasonable length of no more than one hour per session.

The ICT service staff member is not responsible for providing technical support for equipment that is not owned by the school or Trust.

Safeguarding

This section of the policy will be enacted in conjunction with our Safeguarding & Child Protection Policy, which has been updated to include safeguarding procedures in relation to remote learning.

The Headteacher and DSL will identify 'vulnerable' pupils (pupils who are deemed to be vulnerable or are at risk of harm) via risk assessment prior to the period of remote learning.

The DSL will arrange for regular contact to be made with vulnerable pupils, prior to the period of remote learning.

Phone calls made to vulnerable pupils will be made using school phones where possible. Where this is not possible; staff will hide their personal number (via the use of the 141 prefix) if working from home, for example in the case of remote working due to a bubble closure.

The DSL will arrange for regular contact with vulnerable pupils once per week at minimum, with additional contact, including home visits, arranged where required and with the agreements of parents/carers.

All contact with vulnerable pupils will be recorded in line with the safeguarding procedures in the school and suitably stored on the My Concern system in line with the Trust's Data Protection Policy.

The DSL will keep in contact with vulnerable pupils' social workers or other care professionals during the period of remote working, as required.

All home visits must:

- Have at least one suitably trained individual present
- Be suitably recorded on My Concern, so that the DSLs has access to the records
- Actively involve the pupil and parents/carers

Vulnerable pupils/families will be provided with a means of contacting the DSL or any other relevant member of staff – this arrangement will be set up by the DSL prior to the period of remote learning.

The DSL will review safeguarding cases or referrals and meet (in person or remotely) with the relevant members of staff once per week to discuss new and current safeguarding arrangements for vulnerable pupils learning remotely.

All members of staff will report any safeguarding concerns to the DSL immediately.

Pupils and their parents will be encouraged to contact the DSL if they wish to report safeguarding concerns e.g., regarding harmful or upsetting content or incidents of online bullying. The school will also signpost families to the practical support that is available for reporting these concerns.

Monitoring Arrangements

This policy will be reviewed by the Headteacher and any changes communicated to all members of staff and other stakeholders on an ad hoc basis.

Further Closure

If further closures or measures are announced, the policy will be reviewed and changed in accordance with government guidance for educational settings.

All staff and parents/carers will be informed.

Conclusion

By adding Remote Learning to our Teaching and Learning practices, we aim to encourage an inclusive approach to education which achieves better outcomes for our pupils.
