Message from SLT

Half term is approaching fast! All classes have had another busy week. Pupils have continued to explore the Jurassic world, and in addition they have been learning about different traditions connected with the Chinese New Year, which this year is celebrating the year of the Tiger

Covid 19

Thankfully the number of positive cases within the school has decreased this week, and we hope we have contained the outbreak. All measures will remain in place until at least half term in order to continue to protect our school community. Please remember that anyone who is displaying any symptoms, many of which are similar to that of a common cold, should take a lateral flow test. In addition, anyone who has been identified as a close contact, including those with a positive household member, should take a daily LFT for 7 days. This should be done, and a negative result achieved before the student attends school each day. We can supply students with nasal only swabs on request, as for many these are far less invasive. Thank you for your continued support.

Shared Learning

We would like to invite you all to a virtual shared learning session on Wednesday 9th February with a focus on the theme of kindness. Please check your class email for times of your child's session.

School Holiday Meal Scheme

Havering is continuing to support families eligible for free school meals during the February Half Term holiday period, as it has done previously. The scheme provides a payment of £15 per child to ensure eligible families are able to purchase food over the half term break to replace the meal your child would usually receive at school. If you have received funds via the scheme previously you do not need to reapply as the money will be paid into your nominated bank account automatically during the week commencing 14th February 2022. Applications must be submitted by 5pm on Friday 4th February.

1st April: last day of the Spring Term

19th April: 1st day of the Summer Term

2nd May: Bank Holiday

27th May: Queens Jubilee Holiday

30th May-3rd June: Half term

19th July: Last day of the Summer term

Dinosaur Fun in Weir Class

Weir Class have had fun exploring the jungle during their sensory story and messy play sessions this week. They have learnt about different big and small dinosaurs. They made salt dough dinosaurs footprints, and we used all their senses, touch, sight, hearing, smell and taste, to explore the Jurassic World.
