RE: Ukraine Crisis Appeal

Our thoughts and wishes are with Ukraine and the Ukrainian people, people from neighbouring countries and their friends and family across the world at this difficult time. From the 7th to the 17th March, we will be collecting much-needed items to help with the aid of the Ukrainian people. Currently, essential items include:

flasks, nappies, formula milk for babies, bandages, toothbrushes, face masks, wet wipes, sanitary products, cardboard boxes and pet food

We will be delivering these items to Bonnets Garden Centre, Brentwood which is transporting goods to support the people of Ukraine. If you would like to find out more, you can do so by visiting:

International Women's Day: Reeve Class

During a My Thinking session, Reeve Class celebrated International Women's Day. Firstly, they explored the different textures of petals, paper and fabric with our hands and feet. They then used these items to create purple flowers and shared them with women in school.

Fun fact: purple represented loyalty and dignity in the Suffragette movement
