

Message from SLT

Welcome back.

We hope you had a peaceful Easter break

Welcome

Lime Trust has appointed a new CEO, Kirsten Jowett. She is very excited to being lead Lime Trust into its next phase of development and is looking forward to working with all the Trust schools to provide a world class education for our children.

We are delighted to welcome Amy (EYFS practitioner), Florencia (TA) and Lisa (cook) to our school team and are pleased to welcome back Kelly Jess and Anjulie, both of whom have returned from maternity leave.

Congratulations

Congratulations to Harriet and her partner Steve, who have welcomed their daughter into the world. Mum and Baby are both doing well.

Swimming

The final safety checks to the hydrotherapy pool are currently being undertaken, and all things being well we hope to re-open the pool by Monday week.

The School Day

The school day is 8.55-3.00.

Please note if you are bringing your child to school or collecting them at the end of the day, you do not need to buzz to let us know you are there. You can be seen on the camera in the front office and staff will collect and drop off the children at the set times. The buzzer is there for pupils who arrive late or who are collected early for an appointment. Please remember to inform the office in advance if your child is going to be late/collected early. We also kindly ask you phone the school by 8.30 and leave a message if you know your child will not be in school due to illness. Thank you for your co-operation

Covid 19

All restrictions have now been removed, including the need to test twice weekly. The

NHS [COVID-19 symptoms in adults](#) and [symptoms in children](#) have been updated. Adults and children who have symptoms of a respiratory infection, including COVID-19, should follow the [UKHSA guidance](#). Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare and resume normal activities when they no longer have a high temperature, and they are well enough to attend.

Pupils of the week

Chantelle

for remaining focused when completing activities at a work station

Kingsley

for showing increased attention during activities.

Art and Craft in Weir Class

Weir Class are learning about Forts & Castles.

They have been working on their fine motor skills as well developing their talent for creativity by making and decorating papier-mache bricks.

Privacy Notice: Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.
