

Message from SLT

We have an exciting term ahead of us. Classes are already working hard on their new topics. We have many fun filled activities planned including our shared learning sessions, celebrations to mark the Queens Jubilee and an end of year celebration assembly. All key information and updates are shared via ParentMail and class emails so please remember to check both of these regularly. Key events will also be posted on our school website:

www.limeacademyravensbourne.org

Goodbye

On Tuesday we were sad to say goodbye to Tracy Evans (TA). Tracy has worked in Ravensbourne school for 23 years. She has left to take up a new post supporting the communication team across many schools. She will be greatly missed and we wish her the best of luck in her new post.

Swimming

We are delighted to announce the hydrotherapy pool has now reopened. There are still works needed, but we are hoping we can postpone these until the Summer holiday, and we are doing everything we can to keep the chemicals and temperature at the required levels, however, please be aware things can happen that are beyond our control.

Your child's teacher will inform you which day your child will be swimming. Please make sure you send in their swimming kit including a towel, swim liners and a swimming hat. These will all be sent home at the end of the day. Please note in order to ensure every pupil gets access to the pool, we are following a very tight timetable. If your child cannot swim for any reason please let us know in advance so we can reallocate their slot. Thank you for your support and co-operation

2nd May: Bank Holiday

27th May: Queens Jubilee Holiday

25th May: Shared Learning-Movement in May

30th May-3rd June: Half term

22nd June: Shared learning – Jingly June

15th July: Leavers Prom.

All Classes shared learning Celebration Assembly

19th July: Last day of the Summer Term

Pupils of the week

Xandi

for participating in the class morning routine

Emily

for controlling and regulating her behaviour and re-joining in class sessions

Creativity in Keller Class

Keller Class have been busy making their own castle! They explored the feel of the paint and then used a sponge to print brick shapes on the paper. They really liked the bristly side of the sponge as it felt very peculiar!
