

Message from SLT

It has been a busy week and it has been great to see pupils enjoying sensory sessions, arts and crafts, physical development sessions and outdoor learning.

Learning Disability Nursing Team

Both Queens and King George's hospital have learning disability nursing team on site. They are there to provide specialist support and to ensure that your child's time in hospital is as stress free as possible. If needed they will create a hospital passport for your child which will provide a comprehensive overview of their needs and requirements.

Links to download both the adult and child versions can be found at:

Children -

<https://www.bhrhospitals.nhs.uk/children-with-learning-disabilities>

Adults -

<https://www.bhrhospitals.nhs.uk/adults-with-learning-disabilities>

Please also bear in mind that if your child is sixteen or over, the Mental Capacity Act states that they have the right to make their own decisions, wherever possible, regarding their care and treatment. The Learning Disability Team will work with you to ensure that your child's voice is heard and listened to alongside your views as their primary carer. There are also systems in place to ensure that individuals who lack capacity are not unnecessarily restrained or restricted against their will. If you would like to learn more about the Mental Capacity Act and Deprivation of Liberty Assessments, Mencap have a comprehensive guide available at - <https://www.mencap.org.uk/advice-and-support/mental-capacity-act>

If you require the support of the Learning Disabilities Team and would like them to support you in any way they can be emailed at bhrut.learningdisabilitiesteam@nhs.net or by phone on 01708 435000 ext 5719.

- 25th May: Shared Learning-Movement in May
- 27th May: School closed: Queens Jubilee Holiday

Pupils of the week

Prashna

for engaging and interacting with peers and members of staff

Kweku

for working on his fine and gross motor skills by manipulating silver foil and moving paint under cling film.

Musical Times in Gaffney Class

Gaffney Class have been having fun making music. They have been experimenting making sounds by shaking, banging and rattling different instruments.
