

## Message from SLT

It was wonderful to see so many staff and pupils dressed in clothes that make them feel good today! All classes also participated in a range of fun activities to celebrate and support Children in Need.

## School Lunches

As you may be aware we have a new Autumn dinner menu that has been sent home to parents. As Parents/ carers you know your child best and you know their likes/ dislikes, so if your child has school lunches, we request that you complete and return the menu for your child. If you need a copy of the menu, please email your child's class teacher. Information regarding ingredients, allergens and nutrition is available on the school website:

<http://limeacademyravensbourne.org/academy-information/academy-meals/>

We know that many of our pupils' diets are closely monitored and hope that having this information freely available is helpful. Please be aware that the document provides information on the meal options provided to all schools within Havering and not just those available at Ravensbourne.

## Christmas Aid

Christmas celebrations can place additional pressure on families with limited funds and/or experiencing financial hardship. The Salvation Army have kindly offered to help by providing food and gifts for children, including siblings. If your family is finding it difficult to make ends meet this Christmas and would appreciate a little help, please contact Julie Cook.

## Pupils of the week

Adelina

for putting her feet on the floor to stand and weight bear with support in the pool

Farhan

for being focused and engaging in all our activities. Also for making good progress with his standing and taking a few independent steps while holding onto the window sill
