Message from SLT

As a school we really value parental input, and we are keen to share and celebrate with you all the exciting things that are happening in school. We have a number of different ways in which we do this.

Whole school communications are shared via

ParentMail and each class has their own email address for more specific and personal communication between parents/carers and the class team.

Our school website can be found at:

www.limeacademyravensbourne.org

It contains all key information about the school.

We also have a Twitter and an Instagram account, where we share photos and school events and activities:
