

Message from SLT

Half term was very busy and there have been a lot of room moves made within the school.

The bungalow is now being used as a staff room/ admin space, and all classrooms are now within the main school building. Staff worked really hard to ensure classes were up and ready to welcome pupils back after the half term break. Each class is decorated in line with our 'At the Beach' theme proving a fully immersive environment that promotes active learning and engagement.

Hydrotherapy Pool

We would like to apologise for the disruption caused when the hydrotherapy pool has to be closed. We have to follow strict health and safety guidelines including daily chemical tests, and we can only open the pool if the levels are correct. We understand how much our young people look forward to their sessions in the pool and we always do everything we can to keep the pool open, but sometimes there are circumstances that arise that are out of our control.

Thank you for your understanding.

Medicines

If your child requires medication in school, please ensure you complete an authorisation to administer form – these can be found on the school website or Val can provide them on request. Please note we can only administer prescribed medicines that have to be taken during the school day. For safety reasons please do not put medicines in your child's bag, either hand them personally to Val, or if your child comes in on school transport please hand them to the bus escort.

Thank you for your co-operation.

22nd June: Shared learning – Jingly June

5th July: Parents Evening

15th July: Leavers Prom.

All Classes shared learning Celebration Assembly

19th July: Last day of the Summer Term

Pupils of the week

Lilly

for vocalising in a positive manner to initiate and maintain interaction with adults

Serena

for building sandcastles during the sensory play session.

Wonder Class 'At the Beach'

Wonder Class have been exploring a range of different beach related resources. They discovered the difference between how sand feels when it's wet and when it's dry.
