

Careers Programme & Strategic Action Plan 2023-2024

Ravensbourne

- At Lime Academy Ravensbourne, our learners are at the forefront of every decision that we make. We strongly believe that every lesson taught in school should equip our learners with the knowledge and skills to thrive in the outside world. Therefore, with every subject, topic and experience we offer, we strive to fulfil our fundamental curriculum goal: to learn and grow. Our school is committed to providing students with experiential learning opportunities, independent advice and guidance
- Every lesson taught in school should equip our learners with the knowledge and skills to thrive in the outside world. Therefore, with every subject, topic and experience we offer, we strive to fulfil our fundamental curriculum goal: to shape lives, a lesson at a time.
- We understand that every learner is unique and will present with their own range of strengths and needs; therefore, our curriculum has been specifically designed to provide holistic support to learners with additional learning needs. Our adapted curriculum provides enriching experiences for our learners, to ensure that they receive an inspiring and broad education that develops them academically, socially, emotionally and physically.
- We provide an exciting, safe and challenging learning environment that recognises and adapts to the needs of every learner. Students are well cared for, guided and supported to make the best progress in all curriculum areas, including personal development and well-being. We encourage our learners to be positive contributors to the school, their families, their neighbourhood and the wider community.
- We are working with Careers & Enterprise to meet all the 8 Gatsby Benchmarks
- Highlighting the Baker Clause allows our colleges and training partners to access every learner in Years 8 - 14, discussing non-academic routes

Our Plan is to work to meet on the 8 Gatsby Benchmarks

The 8 Gatsby Benchmarks are:

1. A stable career programmes
2. Learning from careers and labour market information
3. Addressing the needs of each student
4. Linking curriculum learning to careers (Teaching Teams)
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

See Link for detailed explanation of the Gatsby Benchmarks [final-0099-gcg-college-booklet-a5-4pp-rgb-aw1.pdf \(gatsby.org.uk\)](#)
