

## Message from SLT

Welcome back to all our pupils, including those that are new to us this term and our returning young learners. We hope that you and your families are keeping well and that you had a happy and peaceful summer break. It has been lovely to see our pupils return all of whom look relaxed, happy and pleased to be back at school.

Thank you to all the staff for working so hard to settle all pupils back into school this week after the long summer break. The weather this week has doing its best to convince us we are still in summer despite us being in September.

Some of our teachers have even braved it to work under there own 'steam', well done them!

Thank you also to our business manager Dee, and the site team, Paul and Lee for all the amazing work they put in during the school break completing projects that have so greatly improved many parts of the building and school grounds. Changes include a new iSandbox room, VI support marking, Floors, access slope and horticultural work.

**Privacy Notice:** Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

There are some pictures later in the newsletter to highlight some of the changes and updates.

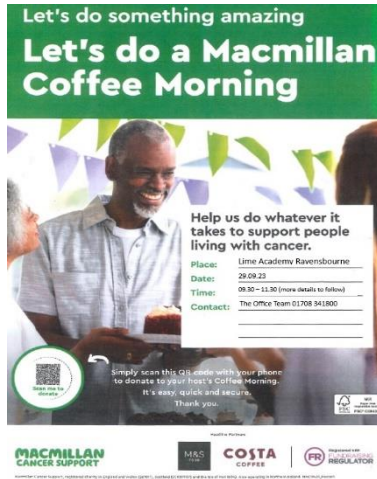

We are all looking forward to a fun filled, exciting and successful year ahead. We have a focus on: Curriculum development, teaching and learning, community, assessment, post 16, and working on our relationship with the host of therapists and professionals engaged in our pupils and families lives.

I have included a questionnaire for all families in the newsletter this week about the therapy dog visits that start Tuesday 26<sup>th</sup> September. It is a requirement that all families complete the questionnaire so that the program can begin. Please can you fill out the questionnaires over the weekend and get them back to us as soon as possible, thank you. Dedham therapy dogs are highly trained, with SEN children and they are accompanied by an occupational therapist. Throughout the weeks we will devise a program of engagement based on the pupils needs and through feedback and discussion with the Dedham team. If you have any questions about this please contact Carlette Londjoka our family support worker.
